Whistle In

Beach Boys

Dum dum dum dum dum dum dum
Dum dum dum dum dum dum, whistle in
Remember the day, day
Remember the night, night
All day long, whistle in
Remember the day, day
Remember the night, night
All day long, whistle in
Remember the day, day
Remember the night, night
All day long, whistle in
Remember the day, day
Remember the night, night
All day long, whistle in
Remember the day, day
Remember the night, night
All day long, whistle in
Remember the day, day
Remember the night, night
All day long, whistle in
