

# Run Baby Run

## The Newbeats

Love can be so strange  
Don't it amaze you?  
Every time you give yourself away  
It comes back to haunt you Love's an elusive charm and it can be painful  
To understand this crazy world  
But you're not gonna crack  
No, you're never gonna crack Run, my baby, run, my baby, run  
Run from the noise of the street and the loaded gun  
Too late for solutions to solve in the setting sun  
So run, my baby, run, my baby, run Life can be so cruel  
Don't it astound you?  
So when nothing seems too certain or safe  
Let it burn through you You can keep it pure on the inside  
And you know what you believe to be right  
So you're not gonna crack  
No, you're never gonna crack Run, my baby, run, my baby, run  
Run from the noise of the street and the loaded gun  
Too late for solutions to solve in the setting sun  
So run, my baby, run, my baby, run Find out who you are before you regret it  
Because life is so short, there's no time to waste it So run, my baby, run, my baby, run  
Run from the noise of the street and the loaded gun  
Too late for solutions to solve in the setting sun  
So run, my baby, run, my baby, run Run, my baby, run, my baby, run  
Run, my baby, run, my baby, run  
Run, my baby, run, my baby, run  
Run, my baby, run, my baby, run
