

Sunny Day

Brandy

[Chorus: x2]

What's a sunny day without you
Just another 24 that passes by As I seat upon the grass in the shade
I remains on what we had the romance
That's we shard strolling throw the park
To people in love walking hand in hand
But now that your gone I fell so alone
All I do is think of you till the
Day you return it doesn't mean a thing [Chorus: x2] It's funny how you learn from your mistakes
Sometimes you take things for grated
But now that I have a change to make it right
I want to give you
I want to give you all my love oh oh But now (but now)
That your gone (that your gone)
I fell (I fell so alone)
All I do is think of you
Till the day you return
It doesn't mean a thing [Chorus: x4] What's a sunny day without you [Repeat: x4] [Chorus: Repeats]
