

Hunted

[Kt Mulholland](#)

You were in my teeth, you were in my sights
Just out of reach, I knew this couldnâ€™t be right
And all along you swore up and down
That you were just another one of those little lost souls
That couldnâ€™t be found

So I hunted, hunted hunted for you
I hunted, hunted, hunted, it was all I could do
I hunted, hunted, for you
I hunted, hunted, hunted, but came up empty handed

I was on your mind, I was in my prime
I was out of reach, you were out of time
Time time time time kept moving along,
at a record pace and left you behind
With your tongue in your cheek
Oh weak in the knees
And me on the rise
But may I remind you

I hunted, hunted hunted for you
I hunted, hunted, hunted, it was all I could do
I hunted, hunted, for you
I hunted, hunted, hunted, but came up empty handed

I hunted, hunted hunted for you
I hunted, hunted, hunted, it was all I could do
I hunted, hunted, for you
I hunted, hunted, hunted, and came up empty handed
