Just Wanna Say

RJ Jimenez

i wanna take a sit
from a cup of coffee in my hand
just wanna sit back and do nothing but think of you
you see, i don't care about anything in this world
here in my heart

just wanna see you smile and a little bit of kissing of my lips
just wanna take your hands
and put it around my waist
so i can feel the love that you bring in me
Now that i have you
Here in my heart Oh.. Oh..

Chorus:

I just wanna say, I love you and I'll never let you go
I just wanna say, i need you
You're the one that keeps me strong
I just wanna say, be with me and stay forever
cause my love will always be true

I wanna be your man, forever till the end of time
Just wanna be there, whenever you need some love
Baby, your the only one i dreaming of
Now that I have you.
Here in my Heart.. oh.. oh..

(Repeat Chorus)
