

# Gimme, Gimme, Gimme

## James Last

Ohh, lets get it on  
Wellll, good God mama what?s wrong with your face  
    Been out all night you?re a total disgrace  
Here you come again with your hands out by your side  
    Yes, I don?t know what?s the matter with you  
    Dad gummit money thing you act like a fool  
Sometimes I don?t know what?s goin? on about that  
    Well Gimme, Gimme, Gimme that?s all I ever hear  
        Ain?t got no money to buy me a beer  
Gimme, Gimme, Gimme that?s all I ever get from you  
    You can slap that be-bop you can shove me around  
        Won?t put me six feet in the ground  
Gimme, Gimme, Gimme, you got those old gimme blues  
    Wellll, Mr. Businessman what do you say  
        I seen you a poundin? on my door today  
Look at that honey, he?s got his hands out by his side  
    Yes, gimme this, gimme that like a rubber band  
    He?s got those stretch marks all over his hands  
    He?s got a reputation for those old gimme bluesss  
        Gimme, Gimme, Gimme that?s all I ever hear

    Ain?t got no money to buy me a beer  
Gimme, Gimme, Gimme that?s all I ever get from you  
    You can slap that be-bop you can shove me around  
        Won?t put me six feet in the ground  
Gimme, Gimme, Gimme, you got those old gimme blues  
    Yes, you got them blues honey  
        Ahh, would you get it on that slide guitar  
    Yes, Gimme, Gimme, Gimme that?s all I ever hear  
        Ain?t got no money to buy me a beer  
    Gimme, Gimme, Gimme that?s all I ever get from you  
And you can slap that bad old be-bop you can shove me around  
    Won?t put me six feet in the ground  
    Gimme, Gimme, Gimme, you got those old gimme blues  
        Well I?m sure all my buddies been here before  
        Mr. Businessman I?m poundin? on your door  
    I think that man and a woman?s got somethin? on me  
    Yes, Gimme, Gimme, Gimme that?s all I ever hear  
        Ain?t got no money to buy me a beer

Gimme, Gimme, Gimme that's all I ever get from you  
You can slap that bad old be-bop you can shove me around  
Won't put me six feet in the ground  
Gimme, Gimme, Gimme, you got those old gimme blues
