

# Model Behaviour

Kate Nash

Hey bitch touch this  
Dooo yooo ay yayayah yay! You don't have to suck dick to succeed  
You don't have to suck dick to succeed  
You don't have to suck dick to succeed  
You don't have to suck dick to succeed Standing there, all you do is stare  
You got no soul, and you just don't care  
About anything but yourself  
Did you know other people exist?  
Don't wanna hear about your life,  
Hang out with you? I'd rather die!  
Please stop wasting all my time  
Your goddamn yourself hook all out  
You don't have to suck dick to succeed  
You don't have to suck dick to succeed  
You don't have to suck dick to succeed  
You don't have to suck dick to succeed Woke up on two sides of society  
To drag me down, you're gonna have to fight me!  
I don't wanna shake your dirty hand  
I don't wanna live in lala land  
Mumma said you're a bit naive  
Or just a bitch, who forgot to eat!  
No real rave and no release,  
Your life is so fucking empty! You don't have to suck dick to succeed  
You don't. wooahh! Heeeeeyyyy... heyyyyy.  
Hey... hey baby, nice big lips  
Do you wanna touch it?  
Hey, hey,  
Nice big lips, do you  
Want to touch it?  
Hey, hey,  
Nice big lips, haah,  
Do you, want to touch it?  
Hey, hey

Nice big lips (ready?)

Do you, want to touch it?

AAAAAAAAAAAAAAAAAAAAAH You don't have to suck dick to succeed

You don't have to suck dick to succeed Woahh, aah, aah, woo!

Aah ya ahahahahahah

(Random screaming)
