I Spy

The Untouchables

I spy for the FBI
(I spy for the FBI)
I spy for the FBI
(I spy for the FBI)I got an X-ray camera hidden in your house
That sees what I can't see
And that man you were kissin' last night
Definitely was not me, oh babyI spy for the FBI
(I spy for the FBI)
I spy for the FBI
(I spy for the FBI)Just because he was wearin' shades
You thought he didn't leave a clue
I got his name, I know his game
He's double-O you know who, oh baby
I spy for the FBI
(I spy for the FBI)
I spy for the FBI
(I spy)I've got the facts in the file
Baby, I don't have to guess
I took that agent's fingerprints
Off of your new red dress, oh babyI spy for the FBI
(I spy for the FBI)
I spy for the FBI
(I spy for the FBI)I know when you're out
I know when you're in
I know where you're goin'
'Cause I know where you've been
I spy for the FBI
(I spy for the FBI)
Baby, I spy for the FBI
(I spy for the FBI)
Baby, I spy for the FBI
(I spy for the FBI)
