Jesus First!

Rainbirds

hey, do you wanna play?
it goes like this...jesus first!jesus first!, she says
and tumbles in the eye of god
i got to remind her of
the things we used to dream about
she tells me: whisper only
no, better don`t you speak at all
jesus first!, she sighs
jesus first!, she says
and tumbles right into my open arms
and i watch her
i know i`m not allowed to touch her
there is a very special kind of mutual loving
she hides her eyes and says it`s shocking
i don`t think i can take that much longer
i tell her any kind of love could make her stronger
she says:
yeah-yeah, jesus first!
aha, jesus first!, she sighs
jesus first!, jesus first!, she criesjesus first!, she says
and tumbles in the eye of god
she changed her mind last night
the way we felt was beyond wrong or right
ahe looks at me and smiles
now ain`t there something missing
yeah, jesus first! we praise
jesus first!, she says
and tumbles back into my open arms
and i watch her
i know i`m not allowed to touch her
there is a very special kind of mutual loving
she hides her eyes and says it`s shocking
i don`t think i can take that much longer
i tell her any kind of love could make her stronger
she says:
yeah-yeah, jesus first!
aha, jesus first!, she sighs
jesus first!, jesus first!, she criesthere`s a little good looking love-god over here for you

jesus first!, we cry and tumble back into his open arms
