

In My Life

JosÃ© Feliciano

There are places I'll remember
All my life though some have changed
 Some forever not for better
 Some have gone and some remain
 All these places have their moments
With lovers and friends I still can recall
 Some are dead and some are living
 In my life I've loved them all

 But of all these friends and lovers
 There is no one compares with you
 And these memories lose their meaning
 When I think of love as something new
 Though I know I'll never lose affection
 For people and things that went before
I know I'll often stop and think about them
 In my life I love you more

 Though I know I'll never lose affection
 For people and things that went before
I know I'll often stop and think about them
 In my life I love you more
 In my life I love you more
