So Contagious

LoOmis

Oh no, this couldn't be more unexpected
And I can tell you I've been moving in so slow
Don't let it throw you off too far
'Cause I'll be running right behind you
Could this be out of line? Could this be out of line?
To say you're the only one breaking me down like this
You're the only one I would take a shot on
Keep me hanging on so contagiously
Oh, when I'm around you I'm predictable
'Cause I believe in loving you with first sight
I know it's crazy but I'm hoping to
To take a hold of you
Could this be out of line? Could this be out of line?
To say you're the only one breaking me down like this
You're the only one I would take a shot on
Keep me hanging on so contagiously
Oh you're everything I'm wanting
Come to think of it, I'm aching
On account of my transgression
Will you welcome this confession?
Could this be out of line? Could this be out of line?
To say you're the only one breaking me down like this
You're the only one I would take a shot on
Keep me hanging on so contagiously
Could this be out of line? Could this be out of line?
To say you're the only one breaking me down like this
You're the only one I would take a shot on
Keep me hanging on so contagiously
