

# So Contagious

[LoOmis](#)

Oh no, this couldn't be more unexpected  
And I can tell you I've been moving in so slow  
Don't let it throw you off too far  
'Cause I'll be running right behind you  
Could this be out of line? Could this be out of line?  
To say you're the only one breaking me down like this  
You're the only one I would take a shot on  
Keep me hanging on so contagiously  
Oh, when I'm around you I'm predictable  
'Cause I believe in loving you with first sight  
I know it's crazy but I'm hoping to  
To take a hold of you  
Could this be out of line? Could this be out of line?  
To say you're the only one breaking me down like this  
You're the only one I would take a shot on  
Keep me hanging on so contagiously  
Oh you're everything I'm wanting  
Come to think of it, I'm aching  
On account of my transgression  
Will you welcome this confession?  
Could this be out of line? Could this be out of line?  
To say you're the only one breaking me down like this  
You're the only one I would take a shot on  
Keep me hanging on so contagiously  
Could this be out of line? Could this be out of line?  
To say you're the only one breaking me down like this  
You're the only one I would take a shot on  
Keep me hanging on so contagiously
