She's Got That Vibe

R. Kelly

A yo R. Kelly
What's up man
You been spending a lot of time with this girl man
I don't know man
She just got that vibe you know what I'm saying
Aight tell em the script
Aight betVibe, vibe, vibe
You've got that vibe
Vibe, vibe, vibe
You've, you've, you've got that
Vibe, vibe, vibe
Girl you've got
That vibeOoh, stop the press
Girl you turn me on
And I wonder
If I could take you home
I must confess
The tight mini-skirt you wear
I just can't help it baby
I can't help but stare
So
Tell the D.J.
To pump it up a little more
Hey girl
I gotta let you know
That you've got that vibeVibe, vibe, vibe

And the party's just beginning
The place is jumping
Ooh what a lovely scene
Gotta let you know
Let you know the deal

And I'm for real

And I could be your guy
Yeah cuddle me in your arms
Like I'm your teddy bear

You'll have no fear yoKiss me you fool
And make me melt like butter
When it comes to sayin' I love you
I won't st-st-st-stuttter

Make everything alright
Like in the middle of the night
Yo when you need somebody to love you
