Love Is All Around

The Troggs

I feel it in my fingers, I feel it in my toes
Love is all around me and so the feeling grows
It is written on the wind, it's everywhere I go
So if you really love me, come on and let it showYou know I love you, I always will
My mind's made up by the way that I feel
There's no beginning, there be no end
'Cause on my love, you can dependI see your face before me as I lay on my bed
I kind a get to thinkin' of all the things you said
You gave your promise to me and I gave mine to you
I need someone beside me in everything I doYou know I love you, I always will
My mind's made up by the way that I feel
There's no beginning, there be no end
'Cause on my love, you can dependIt is written on the wind, it's everywhere I go
So if you really love me, come on and let it show
Come on and let it show, come on and let it show
Come on and let it show, come on and let it show
Come on and let it show
