Ishyua

sil ik wasnâ€™t high thatâ€™s because she never care
she never told im lyinâ€™ thatâ€™s because sheâ€™s my only world

sheâ€™s the tears im fallinâ€™ and i dont know i was dyinâ€™ too

sil ik wasnâ€™t high thatâ€™s because she never give a phone
she never told im lyinâ€™ thatâ€™s because sheâ€™s my only world
sheâ€™s the tears im fallinâ€™ and i dont know about a word

if you canâ€™t deny about the sands of time
when everyone should go by your side
assap the calling to awake my soul
come on realize thereâ€™s a reason to grow

sil ik wasnâ€™t high thatâ€™s because she never give a fuck
she never told im lyinâ€™ thatâ€™s because sheâ€™s my only world

if you canâ€™t deny about the sands of time
when everyone should go by your side
assap the calling to awake my soul
come on realize thereâ€™s a reason to grow
