

# Angel

## Fleetwood Mac

Don't you come too close to me  
You're dangerous, can't you see  
You can make the darkness mean more  
Then it ever did  
Ever did before  
It's a devil's disguise  
Angel in black  
And I recognize the face behind the mask  
It's a devil's disguise  
Angel in black  
I don't know if I want you back  
You're the cool nights of the desert  
And the hot kisses of the sun  
Why is it that I don't believe you  
When you say I'm the only one  
I know I'm the lonely one  
It's a devil's disguise  
Angel in black  
And I recognize the shadows from your past  
It's a devil's disguise  
Angel in black  
Don't you know it'll never last  
The face behind the mask  
There will never be a second chance for you  
Oh No  
Not for you  
It's a devil's disguise  
Angel in black  
And I recognize the face behind the mask  
It's a devil's disguise  
Angel in black  
Don't you know it'll never last  
The face behind the mask  
It's a devil's disguise  
Angel in black  
And I recognize the shadows from your past  
It's a devil's disguise  
Angel in black  
I don't know if I want you back

I don't know if I want you back  
Don't you know it'll never last  
The face behind the mask
