

Fill a Heart (Child Hunger Ends Here)

[Tori Kelly](#)

There's so many lives
Struggling to fight
Just a little bit more Trying to provide
Barely getting by
Could be right next door No one should, be left alone in the dark
With love, fill a broken heart
I know, we can make the world better
If we come together
You gotta believe that We can change the outcome
If we join in, reach out a hand
All it takes is someone
Stepping forward, and making a stand You and I is where it starts
You and I can be a part
Feed a soul, fill a heart
Feed a soul, fill a heart
(Fill a heart)
(Fill a heart) Feel like givin' up
Doubts are growing but you
Gotta keep on somehow Hear the sound of hope
Let everybody know
We have the power to turn this around No one should be left alone in the dark
With love, fill a broken heart
I know, we can make the world better
If we come together
You gotta believe that We can change the outcome
If we join in, reach out a hand
All it takes is someone
Stepping forward, and making a stand You and I is where it starts
You and I can be a part
Feed a soul, fill a heart
(Oooh, ahh)
(Yeaah) Hear the sound of hope
Let everybody know We can change the outcome
If we join in, so reach out a hand
All it takes is someone
Stepping forward, so lets make a stand (Ooooooh)
We can change the outcome
If we join in, reach out a hand
(Reach out a hand, won't you)

All it takes is someone
(Someone ooooh)
Stepping forward
(Stepping forward)
And making a stand(Ooooh)
You and I is where it starts
(Feed a soul, fill a heart)
You and I can be a part
(Feed a soul, fill a heart)
No need to look very far
(Feed a soul fill a heart)
Right here is where it starts
(Fill a heart)
(Fill a heart)Feed a soul, fill a heart
(Oooh ahhh)
Fill a heart
