Destiny

Jennifer Rush

Some say it's sure collision
Say it's bound to lose
But there's no denying
I'm able to chooseI know what leaves me cold
And what burns me up
Now this time it's just right
I'm very sureI call it wonder
Something hard to define
Sometimes it's thunder
That strikes my senses hardHe's my destiny
And it's hard to see
How I could love him more
He's my destiny
Got a hold on me
I'm always back for moreMy heart has spent time drifting
Back and forth in love
Just in what direction
Was never sureAnd then he moved up towards me
And trowed me in
Nobody's moved me
Quite like thisI call it wonder
Something hard to define
It's just like thunder
That strikes my senses hardHe's my destiny
And it's hard to see
How I could love him more
He's my destiny
Got a hold on me
I'm always back for moreOoh, he can turn me 'round
Slow me down
Anytime he sees it fit
To hold me back
Ooh, it's enough
To make me go out of my mindHe's my destiny
And it's hard to see
How I could love him more
He's my destiny
Got a hold on me
I'm always back for moreDo-do

Do-do-do
Do-do-do-do-do-do
Do-do-doHe's my destiny
And it's hard to see
How I could love him more
He's my destiny
Got a hold on me
I'm always back for moreHe's my destiny
And it's hard to see
How I could love him more
He's my destiny
Got a hold on me
I'm always back for more
