

Flight of the Rat [Roger Glover Remix]

Deep Purple

Spread the word around
The rat is leaving town
The message is a song
The misery is gone Once I had a dream
To sing before the queen
She didn't want to know
She wouldn't see the show What a fright
I couldn't do it right
Oh what a night Mystic demons fly
All about the sk
With memories of a clown
The saddest show in town When I was seventeen
Me mother said to me
Be careful what you touch
You shouldn't take so much I blew my mind
She was so kind
I could have cried In my mind
I had to fin
A kind of new way
Of being oh so cool
Like a blue blooded
Well studded
English fool Speak about the past
Times are changing fast
Once I was so weak
I couldn't even speak Shaking put a curse
Nothing could be worse
Walking through the door
Who could ask for more Now I'm free
And I can see
That I am me Spread the word around
The rat is leaving town
The message is a song
The misery is gone Shaking out a curse
Nothing could be worse
Walking through the door
Who could ask for more Now I'm free
And I can see

That I am mePlease stay away
