Price Yeah!

Pavement

Just 'cause I'm fakin' doesn't mean I'm wrong
'Cause I bought my price yeah
No I got it at cost and there's the things I know
Wrote them down on your nib
Just remember turning, it's a rapid affairYou can't say it, you can't say I'm wrong
You can't say it, you can't say it, you can't say I'm wrongWon't have teeth to say I'm wrong
No they won't have teeth to say I'm wrong
No they won't have teeth to say I'm wrong
(Unverified) I wanna better bong? Oh, oh, oh, aw aw aw
