

Careless Whisper (Ft. Brian Mc

Kenny G

I feel so unsure
As I take your hand and lead you to the dancefloor
As the music dies, something in your eyes
Calls to mind the silver screen
And all it's sad goodbyes I'm never gonna dance again (no no)
Guilty feet have got no rhythm
Though it's easy to pretend
I know your not a fool (you and you alone)
Shoulda known better than to cheat a friend (shoulda known)
Waste this chance that I've been given
No I'm never gonna dance again
The way I danced with you
Do you love me as I move girl
Baby give my life up to you girl
The one that couldn't bump us for you girl
The girl can't compare to me when you live my lifes and nightmares
Just one last time So baby baby one more chance
Your love and the sweetest romance
Just one last time, without you girl I'm blind and a record label that's mine
Sing again Time can never mend, no
The careless whispers of a good friend
To the heart and mind
Ignorance is kind
There's no comfort in the truth
Pain is all you'll find
I'm never gonna dance again
Guilty feet have got no rhythm (no no)
Though it's easy to pretend
I know your not a fool
Shoulda known better than to cheat a friend (shoulda know)
Than waste this chance that I've been given (what a fool)
So I'm never gonna dance again
The way I danced with you Tonight the music seems so loud
I wish that we could lose this crowd
Maybe it's better this way
We hurt each other with the things we wanna say
We could have been so good together
We could have lived this dance forever
But no one's gonna dance with me

Please stay I'm never gonna dance again
 Guilty feet have got no rhythm (never)
 Though it's easy to pretend
 I know your not a fool
 Shoulda known better than to cheat a friend
 And waste this chance that I've been given
 No I'm never gonna dance again
 The way I danced with you Do you love me as I move girl
 Baby give my life up to you girl
 The one that couldn't bump us for you girl
 The girl can't compare to me when you live my lifes and nightmares
 Just lemme live this one last dance Now that you're gone
 Now that you're gone
 Now that you are goooone baby
 Now that you're gone
 What did I do so wrong, so wrong you gotta leave me alone I'm never gonna dance again
 Guilty feet have got no rhythm
 Though it's easy to pretend
 I know your not a fool (you and you alone)
 Shoulda known better than to cheat a friend
 And waste this chance that I've been given
 No I'm never gonna dance again
 The way I danced with you (straight to my heart) I'm never gonna dance again (no way)
 Guilty feet have got no rhythm
 Though it's easy to pretend (baby please)
 I know your not a fool
 Shoulda known better than to cheat a friend
 And waste this chance that I've been given
 No I'm never gonna dance again
 The way I danced with you Do you love me as I move girl
 Baby give my life up to you girl
 The one that couldn't bump us for you girl
 The girl can't compare to me when you live my lifes and nightmares
 Just lemme live this one last dance So baby baby one more chance
 Your love and the sweetest romance
 Just one last time, without you girl I'm blind and a record label that's mine
 Sing again I'm never gonna dance again (no no)
 Guilty feet have got no rhythm
 Though it's easy to pretend
 I know your not a fool (you and you alone)
 Shoulda known better than to cheat a friend (shoulda known)
 And waste this chance that I've been given
 No I'm never gonna dance again
 The way I danced with you
