

Live In Love

Times of Grace

Advisory - the following lyrics contain explicit language:

Just live in love
Believe in loveIn my life I have seen all the ways
 Hatred destroys mankind
 Break society's system, change the mercy
There's no compromiseDon't mistake kindness
 And compassion for weakness
 It takes so much more strength
To be selfless and live in loveStrive to live in selflessness and live in love
 Through all our days, just live in love
 Through all your pain, believe in love
 LoveAll that you think you know
 It's just a fraction of this world
 Take the time to think about your life
Live righteousStrive to live in selflessness and live in love
 Through all our days, just live in love
Through all your pain, believe in loveThe words we speak, the ones we don't say
 Power you don't know you could sing
 Through all our days, believe in loveDon't you see we are all
 Don't you see we are all the blood brothers and sisters
 We are blood brothers and sisters
 We are one, we are one
And I pray this is not in vainAll that you know about, all you can hide
 All that you feel inside
(Live in love)All that you know about, all you can hide
 All that you feel inside
(Live in love)Through all our days, live in love
 Through all our pain, believe in love
