Nothing But A Miracle (Live on Craig Ferguson)

Diane Birch

Gettin' tired of livin', livin' for a moment
Gettin' tired of hanging on the line
I wake up every morning and I pull back the curtain
And wonder if it's gonna rain or shineGettin' tired of thinking, gettin' so tired of begging
Gettin' tired of forgetting that there's two of us
I'm getting so tired of loving a man that just don't give a damnJust tell me, tell me baby why I'm holding on
When your lovin's long gone?
I got a good mind so why don't you tell me why
I can't say goodbyeJust tell me baby why I've been holding on for so long?
And nothing but a miracle is gonna bring you back
Bring you back to me nowI gotta get myself together
Gotta stop telling myself that I can do no better
Gotta go out and maybe start meeting some new people
I gotta go out and buy myself one of those little black dressesCause I'm so tired of this T-shirt
I'm so tired of cryin' off all my make up
Gettin just so tired of waking up with a lonely heart
I'm getting so tired of giving a damn about an absent hearted manJust tell me, tell me baby why I'm holding on
When your lovin's long gone?
I got a good mind so why don't you tell me why
I can't say goodbyeJust tell me baby why I've been holding on for so long?
And nothing but a miracle is gonna bring you back
Bring you back to me nowOh, I can see it
Coming down the shadows
I can see it, it's coming through
It's coming through the windowsOh, I can see it
I can see it coming down the ceiling
I can't escape it, can't escape it
No I can't escape itTell me, yeah, why I'm holding on
When your love is long gone?
I got a good mind so why don't you tell me why
I can't say goodbyeJust tell me baby why I've been holding on for so long?
And nothing but a miracle is gonna to bring it back
Bring you back to me nowOh, nothing but a miracle is gonna bring you back to me now
Oh, nothing but a miracle, oh no, no
Oh, nothing but a miracle is gonna bring you back to me now
Oh no
