Bring Sally up and bring Sally down

Lift and squat, gotta tear the groundBring Sally up and bring Sally down

Lift and squat, gotta tear the groundBring Sally up and bring Sally down

Lift and squat, gotta tear the groundBring Sally up and bring Sally down

Lift and squat, gotta tear the groundBring Sally up and bring Sally down

Lift and squat, gotta tear the groundBring Sally up and bring Sally down

Lift and squat, gotta tear the groundBring Sally up and bring Sally down

Lift and squat, gotta tear the groundBring Sally up and bring Sally down

Lift and squat, gotta tear the groundOld miss Lucy's dead and gone

Left me here to weep and moanBring Sally up and bring Sally down

Lift and squat, gotta tear the groundBring Sally up and bring Sally down

Lift and squat, gotta tear the groundBring Sally up and bring Sally down

Lift and squat, gotta tear the groundBring Sally up and bring Sally down

Lift and squat, gotta tear the groundBring Sally up and bring Sally down

Lift and squat, gotta tear the groundOld miss Lucy's dead and gone

Left me here to weep and moanBring Sally up and bring Sally down

Lift and squat, gotta tear the groundBring Sally up and bring Sally down

Lift and squat, gotta tear the groundBring Sally up and bring Sally down

Lift and squat, gotta tear the groundBring Sally up and bring Sally down

Lift and squat, gotta tear the groundBring Sally up and bring Sally down

Lift and squat, gotta tear the groundOld miss Lucy's dead and gone

Left me here to weep and moanBring Sally up and bring Sally down

Lift and squat, gotta tear the groundBring Sally up and bring Sally down

Lift and squat, gotta tear the groundBring Sally up and bring Sally down

Lift and squat, gotta tear the groundBring Sally up and bring Sally down
