Happy Landfill

Gorillaz

The feeling then gets to the brain
It means you got it coming and you ain't got a chain
Their only attire is a typical vice
But if it gets too well, well, you ain't being nice, noSo follow the lines ?til they tear up your eyes
You won't be even seeing if you ain't growing lies
They've bought all the shit that should never be sold
They put a gun above it and a narrow beholdWe are the happy landfill
We are the happy landfill
AlrightThe feeling then gets to the brain
It means you got it coming and you ain't got a chain
Their only attire is a typical vice
But if it gets too well, well, you ain't being nice, no
