

Always on Time

Tim Bowman Jr

Woke up this morning with something heavy on my mind
(But it's alright)
Couldn't see clearly with these tears in my eyes
(But it's alright)
On my knees and my cares ceased so I started praying
(To my God)
Oh Lord I need you here with me But in between time
I'm already anticipating
A perfect design
So glad you did it this way
(Wanna thank you Lord)
For everything you've done for me
(Wanna thank you Lord)
Without you I wouldn't be here
(Wanna thank you Lord)
You find a way to make it alright
(Wanna thank you Lord)
You're never late, you're always on time
You're never late, you're always on time
You're never late, you're always on time You changed my life
(It's my God)
Fixed my wrong and made it right overnight
(It's my God)
Now I got a testimony
(About my God)
And im ready for the whole world to see
But in between time
I'm already anticipating
A perfect design
So glad you did it this way (Wanna thank you Lord)
For everything you've done for me
(Wanna thank you Lord)
Without you I wouldn't be here
(Wanna thank you Lord)
You find a way to make it alright
(Wanna thank you Lord)
You're never late, you're always on time
You're never late, you're always on time
You're never late, you're always on time

(Wanna thank you Lord)
For everything you've done for me
(Wanna thank you Lord)
Without you I wouldn't be here
(Wanna thank you Lord)
You find a way to make it alright
(Wanna thank you Lord)
You're never late, you're always on time
You're never late, you're always on time
You're never late, you're always on time
