Honky Tonk

The Ventures

Pretty Paper is playing on the jukebox
And mistletoe is hanging above the bar
I want to thank you for this broken heart that I got
But Merry Christmas, girl, wherever in the world you are
It's gonna be a honky tonk Christmas
For these silent nights at home are killing me
It's gonna be a honky tonk Christmas
But I'll be over you by New Year's Eve
Blue Christmas, turn it up, I wanna hear it
So I can unwrap all the mem'ries in my mind
Hey Joe, pour me some Christmas spirit
If I make it through December, I'll be fine
It's gonna be a honky tonk Christmas
For these silent nights at home are killing me
It's gonna be a honky tonk Christmas
But I'll be over you by New Year's Eve
Yeah, I'll be over you by New Year's Eve
