

# For Joss (feat. Sohrab Nicholson)

## Dualist Inquiry

(Nicholson)  
Shut it down,  
Let it go.  
He's got a lot of love,  
A lot of love to throw.

Break it down,  
And let him know,  
You've got a lot of love,  
A lot of love to show.

I don't  
I don't  
I don't  
I dont know.
