Mister Monster

Get Me To a Hospital I'm Bleeding Profusely.
Call Me an Ambulance and Rush Me to Emergency.
I Need a Doctor and a Nurse my Blood and Veins, Forever Cursed
I Want You Here With Me Tonight I'm Just too Young
I Don't Want to Die....Get Me to a Hospital and Throw me On The Gurney
Don't Put Me in The Waiting Room, l Promise, I'm Priority.
Believe Me When I Say "Goodnight"
And When I Give Your Lips a Bite Goodbye
I Don't Wanna DieI Need You More Tonight Than Any Night Before
I Need You Holding Hands When They Rush me Thru E.R.
And When The Specialist Surgeons Work on Me So Hard
Just Remember What You've Done, And That My Cuts Will Leave a ScarGet Me To a Hospital I'm Bleeding Profusely.
Call Me an Ambulance and Rush Me to Emergency
I Need a Doctor and a Nurse, My Blood and Veins Forever Cursed.
I Want You Here With Me Tonight, I'm Just Too Young, I Don't Want To Die.Don't You Slip and Fall From Blood Left on the Floor
Please Don't Point and Laugh
When They Rush Me Through E.R.
I know This Coma Does More Good Than Harm
So Just Remember What You've Done
And That My Cuts Will Leave a ScarGet Me To a Hospital I'm Bleeding Profusely....
Call Me an Ambulance.....Rush Me to Emergency
Need a Doctor and a Nurse....Blood and Veins Forever Cursed.
Should've Stayed and Said 'Goodnight'
Just Too Young.....Don't Want To Die.
