Love No Limit

Streetwize

Baby, there's no need to tell ya, as far as I can clearly recall
My love has been here for you so you don't have to worry at all
I'll sacrifice my time, I'll make sure you're satisfied
And it's no hard thing to the joy I'll bring, I wanna give you all of my love
Said I'm loving you, loving you every day
(I'm loving you)
Don't you look no more, love without a limit
(Love without a limit)
Said I'm loving you, loving you every day
(I'm loving you, boy)
Don't you look no more, love without a limit
You know, you know
Ooh baby, I'm in need of your love and you got that touch
That I need so much and I am about to explode
Freely, completely, everything you want I'll be
Good love down to the last drop and I'm not gonna stop
No, no, no, no, no
Said I'm loving you, loving you every day
Don't you look no more, love without a limit
(Take my hand and follow me)
Said I'm loving you, loving you every day
(I'm loving you, boy)
Don't you look no more love without a limit
You know, you know
Said I'm loving you, loving you every day
(I'm loving you)
Don't you look no more, love without a limit
(Don't you look no, don't you look no more)
Said I'm loving you, loving you every day
(Every day)
Don't you look no more love without a limit
You know, you know
(You don't have to worry)
Said I'm loving you, loving you every day
(You don't have to worry 'cause I'm loving you boy)
Don't you look no more love without a limit
Said I'm loving you, loving you every day
Don't you look no more love without a limit
Said I'm loving you, loving you every day

Don't you look no more love without a limit
You know, you know
Said I'm loving you, loving you every day
Don't you look no more love without a limit
Said I'm loving you, loving you every day
Don't you look no more love without a limit
You know, you know
Said I'm loving you, loving you every day
Don't you look no more love without a limit
Said I'm loving you, loving you every day
Don't you look no more love without a limit
You know, you know
Said I'm loving you, loving you every day
Don't you look no more love without a limit
Said I'm loving you, loving you every day
Don't you look no more love without a limit
You know, you know
Said I'm loving you, loving you every day
