Alive

Valerie Victoria

You gave Your life, and now Iâ€™m free,
Alive with Your love for me.
I once was far but now Iâ€™m here,
Brought near with the blood of Christ

The blood of Christ (3x)

By Your grace I am made new
Adopted as Your own
Dead in my sin, You overcame
And made me feel alive, made me alive,
Made me alive, made me alive
Made me alive (4x)

I am bought with the blood,
I am bought with the blood of Christ
