

My Prairie Home

Nancy Thorwardson

Itâ€™s a beautiful night on the prairie, Cattle are moving slow, all the stars are bright on the prairie, the campfires are all aglow, I love the sound of the prairie, cowboys call coyotes howl, Iâ€™ll be here forever, happy to roam, my prairie home. The man in the moon, is smiling down on me.. He sings a song, as I ride along, happy as I can be!

When Iâ€™m out riding the prairie, Sagebrush blooms and sweet perfumes, Iâ€™ll be here forever, happy to roam my prairie home!

(Music)

Itâ€™s a beautiful night on the prairie, Cattle are moving slow, all the stars are bright on the prairie, the campfires are all aglow, I love the sound of the prairie, cowboys call coyotes howl, Iâ€™ll be here forever, happy to roam, my prairie home. The man in the moon, is smiling down on me.. He sings a song, as I ride along, happy as I can be!

When Iâ€™m out riding the prairie, Sagebrush blooms and sweet perfumes, Iâ€™ll be here forever, happy to roam my prairie home, yes Iâ€™ll be here forever, happy to roam my prairie home!
