Outside

Catfish and the Bottlemen

[Verse 1]
We let them knock like crazy
Cause I'd not seen her in months
She knew how to save me
For the craic though carried on
And I know I've pushed boundaries sometimes
But she knows she's worse
I've missed this, I was bound to[Pre-Chorus 1]
And I've just come along for the ride
And I tried my best to keep away from you
And you just stepped off of a flight
And now you beg for my company
Cause you know I'll give it to you
Tell your sister to wait[Chorus 1]
Cause there's no one in my life I knew
That got through to me
But when you talk about nothing
You tend to lose meCause there's no one in my life I knew
That got through to me
But when you talk about nothing
Yeah, that's when you lose me[Post-Chorus 1]
I used to carry you through town
You used to smother me in lippy
Now if we ever get an hour together[Verse 2]
We let them talk behind us
Cause I've not seen her in months
And they knew how to find us
For the craic though carried on
And I know I push boundaries sometimes
But she knows she's just as bad
I've missed it, I was bound to[Pre-Chorus 2]
And I've just come along for the ride
And I tried my best to keep away from you
Tell your sister to wait[Chorus 2]
Cause there's no one in my life I knew
That got through to me
But when you talk about nothing
You tend to lose meCause there's no one in my life I knew
That got through to me

But when you scream about nothing
Yeah, that's when you lose me[Post-Chorus 2]
I used to carry you through town
You used to smother me in lippy
Now if we ever get an hour together
It's like I'm on the outside[Pre-Chorus 1]
And I've just come along for the ride
And I tried my best to keep away from you
And you just stepped off of a flight
And now you beg for my company
Cause you know I'll give it to you
Tell your sister to wait[Chorus 3]
Cause there's no one in my life I knew
That got through to me
But when you talk about nothing
You tend to lose meCause there's no one in my life I knew
That got through to me
But when you talk about nothing
Yeah, that's when you lose me[Post-Chorus 3]
I used to carry you through town
You used to smother me in lippy
Now if we ever get an hour together
You act like you miss me
