

# Awkward

Jarell Perry

Silence it's not normal to feel like hiding, hiding  
when you're smiling  
there's no one around  
but I'm talking to you  
you only heard the words that I didn't mean toPre  
Just making me look like I got two left feet  
like clappin on the one in three  
things ain't as they supposed to be  
I wish, I wish there was a middle way  
But ohh, I forgot what I was gonna say now  
Ohh, but you would never payin attention to me me baby  
oh, I want it you best now, hope you forget  
that awkward moment whenSilence, it's not normal to feel like I am, I am  
but I'm trying to keep it together,  
when I'm talking to you,  
you only hear the words that I didn't mean toPre  
Just making me look like I got two left feet  
like clappin on the one in three  
things ain't as they supposed to be  
I wish, I wish there was a middle wayOhh, I forgot what I was gonna say now  
Ohh, but you would never payin attention to me me baby  
oh, I want it you best now, hope you forget  
that awkward moment  
And now I'm like.  
I ignore the text  
been you all then  
now that you in my face what am I supposed to say  
and this girl I'm with I swear she just a friend  
don't take this the wrong way ohhThat awkward moment when.
