Whoa Oh Oh Oh  
Whoa Oh Oh Oh  
Whoa Oh Oh Oh  
Whoa Oh Oh Oh You say that you wanna live you life  
That you wanna take some time away from you and me  
You say that you;ll always love me still  
But you won't ever know until  
You've wasted all your time Whoa Oh Oh Oh  
Whoa Oh Oh Oh  
Whoa Oh Oh Oh  
Whoa Oh Oh Oh Everything I learned from you  
Is never gonna be true  
Cos everything we had in life has gone gone gone  
I said I'd give my heart to you  
But you don't even want me to  
Everything we used to be is gone gone gone Babe now you're like the rest of them  
Never be the same again  
Not able to return Whoa Oh Oh Oh  
Whoa Oh Oh Oh  
Whoa Oh Oh Oh  
Whoa Oh Oh Oh  
Everything I learned from you  
Is never gonna be true  
Cos everything we had in life has gone gone gone  
I said I'd give my heart to you  
But you don't even want me to  
Everything we used to be is gone gone gone Now I'm going back to the start  
You showed who you really are  
That changes everything  
Ohhhhhhh now you're gone Everything I learned from you  
Is never gonna be true  
Cos everything we had in life has gone gone gone  
I said I'd give my heart to you  
But you don't even want me to  
Everything we used to be is gone gone gone Gone  
Gone  
Gone  
Gone
