Happy Girl

å–œå¤šæ•‘è‹±æ¢¨

I used to live in a darkened room
Had a face of stone and a heart of gloom
Lost my hope, I was so far gone
Cryin' all my tears with the curtains drawnI didn't know until my soul broke free
I've got these angels watching over me, yeahOh watch me go, I'm a happy girl
Everybody knows
That the sweetest thing that you'll ever see
In the whole wide world is a happy girlI used to hide in a party crowd
Bottled up inside, feeling so left out
Standing in a corner wearing concrete shoes
With my frozen smile and my lighted fuseNow every time I start to feel like that
I roll out my heart, I like a welcome matOh, watch me go, I'm a happy girl
Everybody knows
That the sweetest thing that you'll ever see
In the whole wide world is a happy girlLaugh when I feel like it, cry when I feel like it
That's just how my life is that's how it goesOh, watch me go, I'm a happy girl
And I've come to know
That the world won't change just 'cause I complain
Let the axis twirl, I'm a happy girlOh watch me go, I'm a happy girl
Everybody knows
That the sweetest thing that you'll ever see
In the whole wide world is a happy girlOh yeah, oh yeah
I'm a happy girl
