Life's Too Short

Paul Carrack

Ain't no time to be lonely
Ain't no time to be afraid
Ain't no time to be sittin' around, thinking
Of all the mistakes you madeWell, it don't take a genius
To see there's no time to waste
Whatever it is that's holding you back
You better beat, before it's too late, ohCHORUS 1
Life's too short
To worry about what might have been
Life's too short
I've got so much to do, I don't know where to beginNow, when I was a young man
I was took for many a ride
That was never gonna stop me
I took it all in my strideOh, that's why I'm still standing
And I never look back
Got my friends all around me
They're gonna keep me on track, 'causeCHORUS 2
Life's too short
Oh, to worry about what might have been
Life's too short
I've got so much to do, I don't know where to beginSOLOI can't see into the future
I don't look back at the past
From here on in, whatever we do
We're gonna make sure we're having a blastSo, baby, put on a record
Make it some Rhythm and Blues
Baby, roll back the rug, open the wine
Let your hair down and shake off your shoes, becauseCHORUS 2CHORUS 1
