

Tame A Wild One

JJ Grey & Mofro

Theres never been a man to keep her underhand
Or to hold her down
Cause shes as wild as a raging sea
And just as beautiful, too
Oh, what was it in her eyes that scared him so?
How come he felt so weak but tried to look so strong?
He tried to tame, tame a wild one
He tried to make a woman do right
Till she wanna do wrong
Oh, she, she was content
She loved to live each day as if another may never come
Ah, but he, he did his best to hold her down
He built a cage, he built a prison for the thing he loved most
He tried to tame, tame a wild one
He tried to make a woman do right
Till she wanna do wrong
He tried to tame, tame a wild one
All the beauty we see but you cant make it stay
Every spirit has wings, wont you fly away?
Fly away, fly away, fly away
He woke to an empty house
Only the shell, only the echo inside
He may never understand just why she left
But words cant build whats real
Or pull the life from a breath
He tried to tame, tame a wild one
He tried to make a woman do right
Till she wanna do wrong
He tried to tame, tame a wild one
Ah, love is as free as it gets but it aint ever cheap
He tried to tame, tame, tame a wild one
He tried to make a woman do right
Till she wanna do wrong
Tame, tame, tame, tame a wild one
Ah, love is as free as it gets but it aint ever cheap
