

# Better Things

[Dar Williams](#)

Here's wishing you the bluest sky  
And hoping something better comes tomorrow  
Hoping all the verses rhyme and the very best of choruses to  
Follow all the doubt and sadness  
I know that better things are on their way  
Here's hoping that the days ahead  
Won't be as bitter as the ones behind you  
Be an optimist instead and somehow happiness will find you  
Forget what happened yesterday  
I know that better things are on their way  
It's really good to see you rocking out and having fun  
Living like you've just begun accept your life and what it brings  
I hope tomorrow you find better things  
I hope tomorrow you'll find better things  
Here's wishing you the bluest sky  
And hoping something better comes tomorrow  
Hoping all the verses rhyme and the very best of choruses to  
Follow all the drudge and sadness  
I know that better things are on the way  
I know you've got a lot of good things happening up ahead  
The past is gone, it's all been said so here's to what the future brings  
I know tomorrow you'll find better things  
I know tomorrow you'll find better things  
I know tomorrow you'll find better things  
I know tomorrow you'll find better things
