

# Don't Stop Raindrop

## Unfinished Thought

Small Town Look Around  
Downtown Watch Me Drown  
Main Street Obsolete  
Bittersweet Repeat  
A Day Like Any Other  
Is Hard To Remember  
Consecutive Failures  
That Go Well Together  
Thought Stream Self Esteem  
Losing Team Gaining Steam

Give Chase Stand In Place  
Open Space Cold Embrace  
A Day Like Any Other  
Is Hard To Remember  
Consecutive Failures  
That Go Well Together  
Don't Stop Raindrop
