

# Anti-Orgasm

## Sonic Youth

Mission control to brain police  
Free lucky energy Penetration destroys the body  
Violation on a cosmic party  
Do you understand the problem?  
Anti-war is anti-orgasm Smash the moral hypocrisy  
Mission control, keep anarchy Liberation, not your sex life  
Domination, will you behave?  
See how we believe in nothing  
Anti-God is anti-orgasm
