STAMPEAD

Itâ€™s almost seven and the time is near
soon theyâ€™ll take me away
I know what Iâ€™ve done was wrong

the bars are so hard
and the walls are like hell
oh how I want to get out
of this dirty old cell
but I know when I do Iâ€™ll never return
because dying is a hard word to learn.

oh lord I wish I could live over again
oh lord I wish I could live over again

I thought Jesus was holding my hand
flying high on our last gram
and I left all I had
and I want it back
it seems all my demons have come to attack
and itâ€™s easy to beg and so hard to change
help me god itâ€™s not my way

oh lord I wish I could live over again
oh lord I wish I could live over again

Iâ€™m still alive now
but the time is near
soon heâ€™ll take me away
I know what Iâ€™ve done was wrong
