

# Drivin' Wheel

[bluesclubka](#)

Feelin' good, can't be real  
Must be dreamin' 'bout my drivin' wheel  
Rollin' on, drivin' on  
Come to me and rock me all night longWe've got a roll goin', too good to stop  
Flyin' high, we've got too far to drop  
Everybody needs somebody to love  
I've got you and that's love enoughYou're my drivin' wheel  
You're my drivin' wheel  
You're my drivin' wheelPowerful love, steady roll  
Move my body and it rock my soul  
Let me ride, let me slide  
Got that lovin' feelin', way down insideYou got me walkin', goin' round and around  
You got me talkin' but I can't hear a sound  
Love comes easy when the goin' is tough  
May be crazy, I may be in loveYou're my drivin' wheel, yeah  
You're my drivin' wheel, yeah  
You're my drivin' wheel, yeahEvery night feelin' high, flyin' right  
Can't believe all the love that I feel  
Easy rider, you're a love exciter  
You're my love, you're my drivin' wheelYou're my drivin' wheel  
You're my drivin' wheel, yeah  
You're my drivin' wheel  
You're my drivin' wheelKeep on drivin' me baby  
'Cause you're my drivin' wheel  
I love the way I feel  
'Cause you're my, 'cause you're my drivin' wheelLet me ride, let me slide, whoo  
C'mon baby, give it to me baby  
Yeah, we gotta ride, we gotta ride  
We gotta ride, we gotta ride  
We gotta ride, ride, ride, yeah
