

Boring

The Pierces

Saturday night, we look alright
We're going out boring
Paris, France London town
NYC, boringNothing thrills us anymore
No one kills us anymore
Life is such a chore
When it's boringSexy boy, girl on girl
Menage a trois, boring
Marijuana, cocaine
Heroin, boringNothing thrills us anymore
No one kills us anymore
Life is such a chore
When it's boringGalliano, Donatella
Dolce & Gabbana, boring
Caviar, Escargot
Dom Perignon, boringLove of my life bear your child
Everything I've ever wanted, boringNothing thrills us anymore
No one kills us anymore
Life is such a chore
When it's boring
(When it's boring)Nothing thrills us anymore
No one kills us anymore
Life is such a chore
When it's boring
