

# Move Like You Want

**Ben Howard**

I saw you earlier on,  
They were playing blues downtown  
Some kind of Mississippi, Mississippi song  
And I know, I know, I know I caught your eye  
Because you darling, you caught mine.

So lady get down,  
Like there's no-one else around here.

Baby, move like you wanna,  
Baby, move like you need,  
Honey, move like you ought to,  
Baby, move just to please me.  
Baby, move like you wanna,  
Baby, move like you need,

Oh I saw you, watching the band play slow  
Eyes like a morning star,  
In the soft of the early evening glow  
And I know, I know, I know you were burning up inside  
Because these feelings, these feelings are so hard to hide.

So woman get down,  
Like there's no-one else around here.

Baby, move like you wanna,  
Baby, move like you need,  
Honey, move like you ought to,  
Baby, move just to please me.  
Baby, move like you wanna,  
Baby, move like you need,

Oh lady get down,  
Like there's no-one else around here.

Baby, move like you wanna,  
Baby, move like you need,  
Honey, move like you ought to,  
Baby, move just to please me.  
Baby, move like you wanna,

Baby, move like you need,

Oh woman get down,  
Like there's no-one else around here.

Oh lady get down,  
Like there's no-one else around here.
