Through the Years

Sarah Vaughan

I can't remember when you weren't there
When I didn't care for anyone but you
I swear we've been through everything there is
Can't imagine anything we've missed
Can't imagine anything the two of us can't doThrough the years
You've never let me down
You turned my life around
The sweetest days I've found
I've found with you
Through the years
I've never been afraid
I've loved the life we've made
And I'm so glad I stayed
Right here with you
Through the years
I can't remember what I used to do
Who I trusted whom, I listened to before
I swear you've taught me everything I know
Can't imagine needing someone so
But through the years it seems to me
I need you more and moreThrough the years
Through all the good and bad
I knew how much we had
I've always been so glad
To be with you
Through the years
It's better everyday
You've kissed my tears away
As long as it's okay
I'll stay with you
Through the years
Through the years
When everything went wrong
Together we were strong
I know that I belong
Right here with you
Through the years
I never had a doubt
We'd always work things out

I've learned what life's about
By loving you
Through the yearsThrough the years
You've never let me down
You turned my life around
The sweetest days I've found
I've found with you
Through the years
It's better everyday
You've kissed my tears away
As long as it's okay
I'll stay with you
Through the years
