

I Run to You

Lady Antebellum

I run from hate
I run from prejudice
I run from pessimists
But I run too late
I run my life
Or is it running me
Run from my past
I run too fast
Or too slow it seems
When lies become the truth
That's when I run to you This world keeps spinning faster
Into a new disaster so I run to you
I run to you baby
And when it all starts coming undone
Baby you're the only one I run to
I run to you We run on fumes
Your life and mine
Like the sands of time
Slippin' right on through
And our love's the only truth
That's why I run to you This world keeps spinning faster
Into a new disaster so I run to you
I run to you baby
When it all starts coming undone
Baby you're the only one I run to
I run to you, whoa oh, oh I run to you This world keeps spinning faster
Into a new disaster so I run to you
I run to you baby
And when it all starts coming undone
Baby you're the only one I run to
I run to you, I run to you yeah, whoa whoa, oh I run to you, I run to you girl I run to you I always run to you
Run to you
Run to you
