

# Don't Want To Let It Go

Tiffany Giardina

As a wave looked to the shore  
Pushing center form the floor  
Holding hands  
I thought we'd never let it go  
I can't wait to see you there  
What I've waited for all year  
Summertime is almost here  
Wooh ahhhh ohhhh!  
It's a summertime love  
And I don't wanna let it go  
Wooh ahhhh ohhhh!  
You're my summertime love  
And I don't wanna let u go  
Don't wanna let u go  
Don't wanna let u go  
Don't wanna let u go  
Sometimes I'm wishing you were here  
Dream about it oh so clear  
Did you change?  
is everything the same  
Did you find another girl?  
Are u out there in this world?  
Is it me  
Baby can't you see that  
Wooh ah oh  
Loving in the summer is so much better  
Wooh ah oh  
Some good things could last forever!

Wooh ahhhh ohhhh!  
It's a summertime love  
And I don't wanna let it go  
Wooh ahhhh ohhhh!  
You're my summertime love  
And I don't wanna let u go  
Wooh ahhhh ohhhh!  
It's a summertime love  
And I don't wanna let it go  
Wooh ahhhh ohhhh!

You're my summertime love  
And I don't wanna let u go  
I can see it clearly  
Just you and me  
Come'on you know  
You're my summertime love  
and I don't wanna let it go  
Be my summertime  
don't wanna let it go  
Be my summertime  
Be my summertime  
It's a summertime love and I don't wanna let it go  
Be my summertime  
Be my summertime  
It's a summertime love and I don't wanna let it go  
don't wanna let it go  
don't wanna let it go  
don't wanna let it go
