

# Song For Aberdeen

## Mando Diao

She was an alcoholic artist  
With too much makeup 'round her eyes  
And I never knew her real name  
She was a sunbeam wrapped in lies  
But I love her and I'm sorry  
And that's all there is to say  
It's like a fairy from the ancient time  
And I hope it, I hope it stays that way, oh yeah  
And when I woke up on your kitchen floor  
With a headache made in hell  
And the flowers that I gave you  
Smiled at me from the window pane  
Then I thought I must be crazy  
'Cause I'm feeling kinda good  
And then when Satan helped me up again  
It was then I, it was then I understood  
Oh yeah, alright, oh yeah  
Oh, well, I was never meant to be the good boy  
I was never meant to go to school  
Well, it's guys like me who get somewhere  
'Cause everybody pity a fool  
Now it's payback for the rainy days  
Now it's no more me and you  
Well, I got mine, you got yours, babe  
Oh, now it's payback, now it's me against the world  
Oh yeah, alright, alright  
Babe, it was the last time I forgave you  
Oh, it was the last time I forgave you  
Babe, it was the last time I forgave you  
Oh, it was the last time I forgave you  
Babe, it was the last time I forgave you  
Babe, it was the last time I forgave you  
Oh, it was the last time I forgave you  
Oh, it was the last time, oh yeah
