

Tupelo Honey

Blackfoot

You can take all the tea in China
Put it in a big brown bag for me
Sail right around the seven oceans
Drop it straight into deep blue sea
He's as sweet as Tupelo honey
He's an angel of the first degree
He's as sweet as Tupelo honey
Just like honey baby, from the bee
You can't stop us on the road to freedom
You can't keep us 'cause our eyes can see
Men with insight, men in granite
Knights in armor bent on chivalry
He's as sweet as Tupelo honey
He's an angel of the first degree
He's as sweet as Tupelo honey

Just like honey baby, from the bee
I heard a tale of old Manhattan
I've never been there but I want, want to go
Standing waiting on my number
And my number's gonna show
He's as sweet as Tupelo honey
He's an angel of the first degree
He's as sweet, he's as sweet as Tupelo honey
Just like honey baby, from the bee
He's as sweet as Tupelo honey
He's an angel of the first degree
He's as sweet as Tupelo honey
Just like honey baby, from the bee
